Dear Mr. Volpe,

EPA is in receipt of your letter dated January 27, 2014. Please be advised that the letter you submitted does not satisfy your requirement to respond to the CERCLA 104e Request for Information. You are still required by law to submit a response with answers to all of the questions posed in the letter about your potential relationship to the Superior Barrel and Drum Company. For your convenience I have attached the original letter you received, so that you can answer it and handwritten responses are acceptable. I have also taken the liberty of approving a 30 day extension, which would make your response due on March 17, 2014.

In addition, we need the certification page returned with a Notary Public signature, to complete your response.

If you have any additional questions feel free to contact me at 732-321-6647. We appreciate your cooperation in this matter.

Respectfully,

A handwritten signature in cursive script that reads "Bonita L. Hriczko".

Bonita L. Hriczko,
Enforcement Specialist
